

## Algebra 1 Notebook Setup

### 1. **Keep your Grade Tracker in the front of your binder**

- This should be updated each time you get a Quiz and Test grade

### 2. **Classwork for each Unit placed behind each tab**

If you do not have tabs – use color paper

- Behind Tab 1 – in this order
  - Your Tests for that Unit (ordered by date)
  - The Tests Corrections (behind each respective test)
  - Flexbook notes, Class notes and Practice work for that Unit by date

### 3. Repeat this process for every Unit using the respective tab number
